

**AMBASSADOR GROUP**

Dear Christopher & the Dine.TO team,

I would like to take this opportunity to thank Christopher and the Dine.TO team for their continual help and support in ensuring that Ambassador Chinese Cuisine is getting the best possible ROI from advertising on Dine.TO.

In the technological-driven society that we live in today, it is critical to continually update your products and services to meet your clientele's needs. I am very satisfied to say that Dine.TO understands this thoroughly and have done a wonderful job in meeting not only Ambassador's needs, but our customer's needs as well.

Their clean, sleek and user-friendly website layout, paired with their prompt, courteous and outstanding customer (and technical) service shows that Dine.TO knows what they are doing and it is not surprising to have seen them grow so significantly in such a short timeframe.

I look forward to working with Dine.TO for many years to come and thank you once again for all your help.

Best Regards,

MAY 2010
