Mr. Alex Moncayo
Executive Sales Administrator
Dine.TO
898 Danforth Avenue
Toronto, ON
M4J 1L9

Dear Mr. Moncayo,

Thank you so much for partnering with Fife House, one of the largest AIDS Service Organizations in Toronto, in the promotion our annual dining out event, **A Taste for Life** on Wednesday, April 29th! Our 9th annual fundraiser was another outstanding success, thanks in large part to your media and advertising contributions. We truly appreciate Dine.TO's support!

On April 29th, over 5,000 people dined out at 55 participating restaurants across the city. We are pleased to report that we are on target to reach our goal of \$90,000 to aid our innovative and client-focused provision of *supportive housing* and *support services* for persons and families living with HIV/AIDS. Fife House truly appreciates your sponsorship of our springtime signature event. Your generosity and crucial support of **A Taste for Life** ensures Fife House is a place to call home when it's needed most.

Research has shown that access to secure and affordable housing is a key determinant for the health and well-being of people living with HIV/AIDS. That's why we strive to meet the needs of our clients by offering our programs and services in a flexible manner. You can be confident we'll use the funds raised from your in-kind support to provide housing and support services to those in need. Trust us when we share with you that many of our clients would be living on the street and without access to medication were it not for your help.

Thank you again for your generous sponsorship. We hope to partner with you again during next year's extra special 10-year event, scheduled for April 28, 2010!

Sincerely,

Keith Hambly
