On behalf of the Greek Students' Association (ΣΕΦ) of the University of Toronto, we would like to express our sincere gratitude to **dine.TO** for its generous contribution to our Academic Night. With your help, our inaugural GSA Academic Night was a great success. We brought together over fifty Greek students from universities across Toronto and more than forty professionals from the Greek community for a lecture series and meet-and-greet. We received positive feedback from everyone who attended. The lectures on Ancient Greece were greatly enjoyed and a strong dialogue between Greek youth and professionals was established.

Facilitating this communication within the community is one of the major goals of the Greek Students' Association. We are a student run group at the University of Toronto St. George Campus that strives to bring together students of Greek descent to celebrate our heritage and share in the experience of university life. The GSA acts as a social network by taking part in and organizing many events throughout the school year. In the past few months, we have held a number of film screenings, organized a university Greek Day, marched in the OXI Day parade on the Danforth and participated in the university's Clubs Cup Soccer Tournament. In addition, our Cultural Director holds weekly conversation club meetings and poetry readings.

We also take a lot of initiative to provide opportunities for students to become active in the Greek community at large. A number of GSA members attended the Greek Community Centennial Reception at Queen's Park as well as an event commemorating the Polytechnio. In addition to our Skate Night, we recently caroled at the Hellenic Home for the Aged and attended the screening of El Greco to show our support for the Greek entry in the European Film Festival. More information about the GSA can be found on our website: <http://gsa.sa.utoronto.ca>.

We greatly appreciate your support.

Sincerely,

Executive Council
Greek Students' Association (ΣΕΦ) of the University of Toronto
