DINING REDEFINED

March 16, 2010

Dear Dine.TO Team,

Since we joined Dine.TO in 2005, we have experienced a substantial increase in business and overall awareness of our restaurant. The quality of marketing is second to none and the service provided to us has been exceptional.

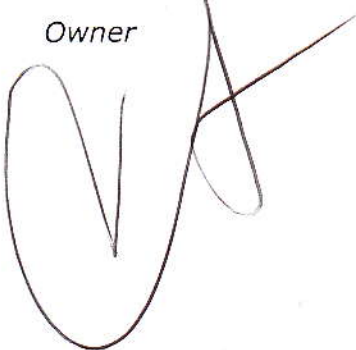

Our sales representative Sophia Zissopoulos has always been there for us and Anouska Miranda, Aleksandra Krzysztofiak and the rest of the designer / web team always expedited our requests in a timely fashion.

We look forward to a long and prosperous relationship with Dine.TO.

Sincerely,

Andrew Taranowski
