Dear Ms. Schneider,

Thank you very much for your generous support of the 4th Annual Bone Appétit Chef Challenge, and, in turn, your support of Osteoporosis Canada.

We greatly appreciate your contribution to our annual fundraising event. Organizations such as Dine.TO have allowed us to maximize the potential and profitability of the event.

This year's event was the most successful to date, raising over \$25,000 for Osteoporosis Canada. The money raised will be used to promote awareness and risk reduction, and to provide continuing education for health care professionals and the public. Your support allows us to continue to advocate for the best diagnosis and treatment possible for those living with this potentially debilitating disease.

Your support for this event was invaluable, and Osteoporosis Canada wishes to express its profound thanks for all of your hard work and financial assistance; your promotion of the event helped us reach a previously untapped audience. I hope that we are able to work together on our 5th Annual Bone Appétit Chef Challenge.

Sincerely,

Amelia Luk
