Dear Stratos,

Thank you for being persistent in pursuing our establishment to list both Alleycatz and Spacco with Dine.TO. It has proven to be a very successful method of advertising. I have been in business for quite some time and I have tried many forms of advertising, all with very limited success. Then I listed with Dine.TO and I began to receive traffic and Online Bookings through our profile right away. The results are easy to track and the feedback for our profile with Dine.TO has been extremely positive.

I have and will continue to recommend Dine.TO to anyone in the hospitality industry. You can use me as a reference anytime needed.

Sincerely

John Ciampini
