Dear Neli,

Re: Website redesign for That's Italian Restaurant

I just wanted to say **THANK YOU** very much for all your hard work on my site. I have received many compliments on it. You were able to translate my original vision of a newsletter-type page into reality. You always responded to my emails in a quick and efficient manner. It was a pleasure dealing with you. I have told my colleagues about the great service I received from Dine.To and especially the personal service from you. Once again, **THANK YOU** for doing such an **AMAZING** job!!!

Warmest Regards,

Joe Lombardo
